

Good Day Everyone – Nancy Grebe here with an important message to all the golfers in the Michigan Club. As you probably know, our 18 Hole group lost our leader when Dave Ferguson was no longer able to make the trek down to Alabama. I volunteered to fill the gap for his golf activities for this season while the group sought out a new leader. Because Dave had already set up the golf dates, the group of was able to function but, we need someone to take over.

This is an appeal to all you golfers to seriously consider being the golf group leader. If you would like to know more about what is involved, please give me a call (586-295-4345), talk to me at an outing or a club meeting or send me a note (golfnutng@att.net).
